

Generalization and Distributed Learning of GFlowNets

Tiago da Silva

August, 29, 2025

Approximate Bayesian Inference on Discrete Spaces

Some static text on this slide.

Generative Flow Networks

You can always see this.

Generative Flow Networks

You can always see this. But this appears later!

Probably Approximate Correct Guarantees for Bayes estimators (PAC-Bayes)

PAC-Bayes for GFlowNets

On the connection between PAC-Bayes and Distributed Learning

Distributed Learning for GFlowNets
